

Become a Non-Profit Supporter Today!

DELAWARE DEPARTMENT OF
NATURAL RESOURCES AND
ENVIRONMENTAL CONTROL

You are invited to exhibit at the 10th Delaware Wetlands Conference!

February 1 and 2, 2022 in Wilmington, Delaware

Dear Non-Profit Supporter:

In early 2022, hundreds of wetland experts and enthusiasts from the Mid-Atlantic region will gather **in person** at the 10th Delaware Wetlands Conference to share the latest in wetland research, innovations to outreach and education, and the progress of conservation programs.

Wetlands play a vital role in our everyday lives, protecting our communities from flooding and erosion and boosting our economy through tourism and the seafood industry. It is important that we continue to foster an atmosphere that supports the exploration and dissemination of wetland science, and this conference has a history of doing just that.

We would like to invite you to become a non-profit exhibitor at this event, not only to support wetland science and education in the Mid-Atlantic region, but to also gain visibility with important leaders in the field. **This opportunity comes at a special registration rate of \$130, designed specifically for non-profit organizations and government agencies.**

This popular conference has seen attendance rates grow consistently for over 20 years and can provide your organization with two days of direct networking time! This biennial conference attracts scientists, planners, engineers, consultants, state, county and federal representatives, educators, community leaders, natural resource managers, and more - offering excellent visibility for exhibitors to key professionals in the region.

To have an exhibit at this event, please submit your enrollment form and payment (check only please) to Erin Dorset at the mailing address provided below (pg.3) by **December 21, 2021** to be included in the printed program materials. Questions or concerns may be directed to Erin Dorset at 302-739-9939 or erin.dorset@delaware.gov, and for more information about the Conference, please visit: de.gov/dewetlandsconference.

We hope you will join us again in person for the 2022 Delaware Wetlands Conference where connecting science and communities to protect and conserve wetlands is our top priority!

Sincerely,

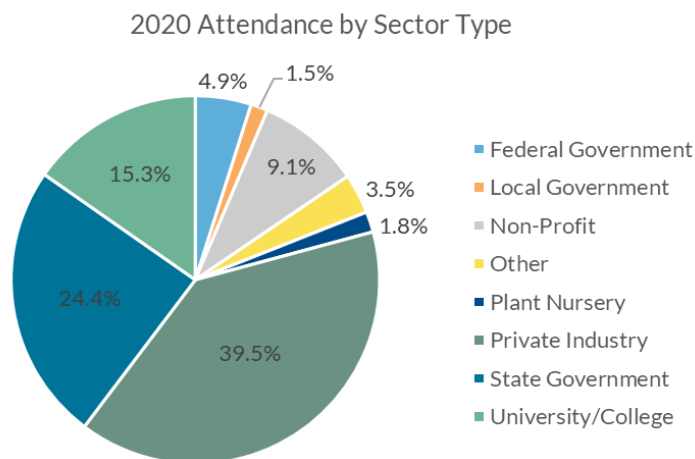

Erin Dorset

Sponsorship Chair, The Delaware Wetlands Conference Planning Committee

Why Exhibit at the Delaware Wetlands Conference?

Amazing Visibility Across Multiple Sectors in the Mid-Atlantic Region!

- **Conference program:** Your organization will be listed in the printed program that will be put directly in the hands of all attendees.
- **Exhibit space:** You will get the chance to display what you have to offer and speak one-on-one with leaders in the field at a table display space in our break area.
- **Registration included:** Non-profit exhibitors receive one complimentary registration for an attending representative

As much as we would like to welcome all non-profits, applying for a space does not guarantee you a spot and non-profit exhibitors will be accepted as space is available. We will notify you if you are accepted. All accepted non-profits will get a 10x10 booth space, interspersed with the sponsors. The Delaware Wetland Conference Planning Committee reserves the right to determine all non-profit booth locations. Non-profits may take donations or promote their organization only. If you would like to sell products, services, or other non-promotional items, you must apply for a regular sponsorship. The Delaware Wetland Conference Planning Committee reserves the right to make any final determination as to eligibility of sales items.

Exhibitors can:

Cultivate and strengthen your relationship with wetland researchers and conservation professionals and reinforce your visibility!

Connect with key decision makers and stakeholders. Your identity will be instantly recognized as an active partner in the wetland and natural resource management community.

Increase your brand awareness with a broad audience from across the region! Our attendees represent states from across the eastern seaboard:

- Delaware
- Pennsylvania
- Maryland
- New Jersey
- Virginia
- West Virginia
- New York
- Massachusetts
- Maine
- Florida
- North Carolina

Secure your exhibit space today to ensure your visibility!
